2nd Degree  
Workshop

Expanding the Practice

Become even more active in your  
participation of healing on all levels

In a First Degree Workshop we embrace the Relationship, the Partnership, the Personal Practice.

From this relationship all things are possible.

In a Second Degree Class you enhance your abilities to respond in consciousness. This workshop is available to those who wish to inquire more deeply into the principles and practice introduced in the First Degree Class

Become even more active and focused in your participation of healing on all levels

During this Second Degree Workshop, we will again share in the healing and the fine tuning

that is "Initiation"

An increase in your energy potential

You will practice specific ways to: Expand your own energy potential Address and understand Mental-Emotional healing and to facilitate "Distant Healing"

This is a very full and rewarding experiential workshop.

In general this workshop elicits a clearer and deeper focus in the participants life.

When you are ready to embrace yet another experience of your connection to All That Is, and are ready for a new level of response-ability Please call.
